Firm, crunchy,  
aromatic

Perfect balance of  
aroma, taste and  
consistency

**Aroma:** all the aromatic characteristics that can be perceived by smell, such as a fruity, floral or spicy aroma.

**Taste:** all the sensations perceived by the tongue, such as sweet, tart and bitter.

**Consistency:** all the characteristics that can be appreciated by touch (tactile), hearing (acoustic) or the palate, such as crunchiness, juiciness and flesh fineness.
